PSUCHE DESIGN LIMITED

From shell to form

A visual sequence of the structure and external plasterwork.

01 / THE SHELL
December 2025

02 / FORM TAKING SHAPE
January 2026

03 / EXTERNAL WORKS
February 2026

04 / PLASTERWORK
April 2026

05 / FACADE PREPARATION
June 2026

06 / WINDOWS IN PLACE
July 2026

The architecture begins to read.

The openings, facade planes and projecting balconies become clearer as the structure develops.

PSUCHE DESIGN LIMITED

Finishing the facade

Plaster, surface details and colour applied across the exterior.

01 / JULY 2026
Balcony fronts and window frames

02 / AUGUST 2026
Scaffolded facade works

03 / AUGUST 2026
Groove and surface detailing

04 / AUGUST 2026
Finishing around the windows

05 / SITE RECORD
White coating taking shape

06 / SITE RECORD
Work across the upper facade

A restrained exterior palette.

White surfaces, darker glazing and fine lines define the developing facade.

PSUCHE DESIGN LIMITED

The exterior, emerging

Two site views show the facade works across different elevations.

FRONT ELEVATION

Balconies, glazing and the white facade

SIDE ELEVATION

Surface detailing around the windows

SCAFFOLD & ACCESS

Working around the lower facade

ON-SITE DETAIL

External surface works in progress

PSUCHE DESIGN LIMITED

A kitchen taking shape

The 3D proposal and the cabinetry installation on site.

3D VISUALIZATION

White cabinetry, warm timber and dark accents

SITE PROGRESS

Cabinetry and appliances during installation

A calm, layered composition.

The timber recess, pale fronts and marble surfaces carry the design through to the site works.

PSUCHE DESIGN LIMITED

Built into the design

A second 3D view paired with the full-height cabinet installation.

3D VISUALIZATION

Full-height storage and display cabinetry

SITE PROGRESS

Cabinet fronts with protective film in place

Joinery that holds the composition.

The cabinet layout brings storage, display and the surrounding finishes into one coordinated design.

PSUCHE DESIGN LIMITED

Wardrobes in the making

Built-in cabinetry across several rooms, from fitting to installed fronts.

01 / MAY 2026
Wardrobe front and open shelving

02 / MAY 2026
Carcass fitting at the wall

03 / MAY 2026
Cabinet depth and side detail

04 / MAY 2026
Shelving and lower drawers

05 / JUNE 2026
Contrasting lower cabinet fronts

06 / JULY 2026
Tall wardrobe with central accents

Made for each room.

Pale fronts, timber interiors and darker accents appear throughout the fitted storage.

PSUCHE DESIGN LIMITED

A place for everything

Workshop fabrication alongside the installed wardrobe details.
